

Summer Camp Challenge

7.-19.10.2022
(Turkey)

Description of the project:

- ▶ This project is a cooperation between the involved Czech, Slovak and Turkish youth organizations, in which we want to exchange our experience and gain new ideas by organizing a summer camp together.
- ▶ The project consists of **two youth exchanges** – one in June 2022 in the Czech Republic and the second in September 2022 in Turkey. The aim of the first exchange is to plan the summer camp in Turkey, prepare the programme and teach the leaders to carry out activities on their own, so that the summer camp in Turkey can go as smooth as possible.

Profile of participants:

- ▶ Age 18-30 + group leader 18+
- ▶ able to communicate in English (at least B1 level)
- ▶ ready and motivated to actively participate in all the project activities (preparation, youth exchange, sharing the results)
- ▶ interested in the topics of the project – leading summer camps, developing soft skills, learning in/from nature, etc.
