

# World in Your Hands

June 15-27, 2023  
Czech Republic

Co-funded by the  
Erasmus+ Programme  
of the European Union

# Idea behind the project:

- ▶ As our European society is becoming more and more multi- and intercultural, it is becoming more and more important to learn about other countries and cultures and learn how to work with people coming from different backgrounds. The main aim of the project is to help young people explore the realities in other countries, find friends from abroad from which they can learn a lot and gain the skills and tools to share their experience with their community after they come home.

# Profile of participants:

- ▶ Age 18-30 + group leader 18+
- ▶ able to communicate in English (at least B1 level)
- ▶ ready and motivated to actively participate in all the project activities (preparation, youth exchange, sharing the results)
- ▶ interested in the topics of the project – learning about other cultures, non-formal education, practicing soft skills, leadership

# Content:

- ▶ After the teambuilding activities are done, we will spend 4 days (since 4 countries are involved in the project) “travelling” to each country and learn about its culture, habits, languages and more directly from the people that actually live there in an interesting and playful way. This way, the participants of the project will also gain valuable experience of organizing non-formal learning activities for other people, taking responsibilities and become confident leaders.
- ▶ After the participants come back home, in order to take initiative and enrich the people around them, they will organize follow-up workshops for the local people and share with them what we learned.

## Learning outcomes:

- ▶ Get to know others, socialize
- ▶ To communicate and cooperate effectively with people from different countries
- ▶ To learn in depth about other countries
- ▶ To lead a game/a workshop for others
- ▶ To use methods of non-formal learning
- ▶ To be a leader, take initiative
- ▶ Get to know new games and outdoor activities
- ▶ To cook your national meal for others

# Accommodation:

- ▶ We will be staying in an attractive touristic location on a bank of the river Lužnice. In the morning you can enjoy the beautiful view of the river covered in steam and at night you can watch the sky full of stars. We will be quite far from civilization, which is a wonderful opportunity to have a rest from all the civilization. We will also provide you with good food according to your taste and wishes.
- ▶ Staying in the countryside also means that you will not be living in a five-star hotel. We will be accommodated in three cottages and share two bathrooms. We recommend bringing a warm sleeping bag, towel, shoes you will be able to use in wet grass, waterproof jacket, slippers to wear in the cottages and a torch.
- ▶ We like our camp and its surroundings very much and so we will teach you how to keep it clean and nice. We will show you how to sort the waste and how to put dirty dishes into the washing machine, so that we leave the place as beautiful as we found it.
