

Summer Camp Challenge

1) Czech Republic, 10th – 17th July 2021

2) Turkey, 16th – 28th August 2022

This project is a cooperation between the involved Czech, Slovak and Turkish youth organizations, in which we want to exchange our experience and gain new ideas by organizing a summer camp together.

The project consists of two youth exchanges – one in summer 2021 in the Czech Republic and the second in summer 2022 in Turkey. The aim of the first exchange is to plan the

summer camp in Turkey, prepare the programme and teach the leaders to carry out activities on their own, so that the summer camp in Turkey can go as smooth as possible.

This is why we are looking for people, who are ready to participate in both of the exchanges. If you decide to join this project, you should be ready to participate in the one in Turkey next year.

During this first exchange, you are going to experience a true summer camp atmosphere – playing outdoor games, learning to live in nature, practicing your physical as well as soft skills in various activities. At the same time, you are already going to learn what is behind these great activities, you will learn to organize them and get ready to be the leaders in the next summer camp – prepare the programme, implement the games and take care of the youth.

Profile of the participants:

- able to communicate in English (at least B1 level)
- ready and motivated to actively participate in all the project activities (preparation, youth exchange)
- ready to take part in the summer camp in Turkey in summer 2022

Accommodation:

We will be staying in an attractive touristic location on a bank of the river Lužnice. In the morning you can enjoy the beautiful view of the river covered in steam and at night you can watch the sky full of stars. We will be quite far from civilization, which is a wonderful opportunity to have a rest from all the civilization. We will also provide you with good food according to your taste and wishes.

Staying in the countryside also means that you will not be living in a five-star hotel. We will be accommodated in three cottages and share two bathrooms. We recommend bringing a warm sleeping bag, towel, shoes you will be able to use in wet grass, slippers to wear in the cottages and a torch.

We like our camp and its surroundings very much and so we will teach you how to keep it clean and nice. We will show you how to sort the waste and how to put dirty dishes into the washing machine, so that we leave the place as beautiful as we found it.
