Exchange topic and activities

Our project aims to improve young people's motivation on using digital tools and raise awareness on digital entrepreneurship. We want to give participants useful knowledge and show them different approach to problem solving. After the exchange, they will:

- Improve technology skills related to real life obstacles
- Provide safe and conscious internet usage
- Provide the use of alternative Web 2.0 by reducing online games and social media addiction
- Develop skills to cope with cyber bullying
- Participate in more social activities (excursions and sports activities, social responsibility projects, etc.)
- Reduce useless technology addiction
- Increase skills to combat useless social media activities
- Motivate youth on digital entrepreneurship

We want to create space for multicultural dialogue and place for developing ideas. We will work through methods such as workshops, debates, sessions with specialists, recreating experiments.

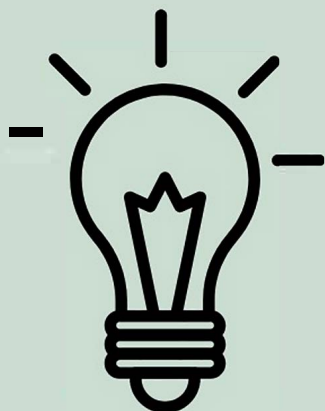

Participants preparation

Before the exchange, we will have online meeting to get to know each other and discuss the project's topic and aim. We want to provide, that all of the participants are interested in the topic and know the purpose of the YE.

Each grup of participanst will be asked to prepare a presentation about innovations in technology in their country. The results will be discused and presented during the workshops.

Moreover, each country group should prepare a presentation about their country (culture, traditions, food, geography etc.). You'll present them during the cultural night.

Tips

- Check the weather forecast before coming to Poland, Türkiye. It might be still sunny and warm but it's better to take a rain jacket with you.
- The project does not fund insurance, but you should consider obtaining one.
- Please plan your journey and ticket purchase with your organisation.
- Remember that you must actively participate in all activities and workshops during the project.
- If you need to print some materials, inform us beforehand.
- If you need anything else, please let us know in advance so we can check if we can answer your requests.
- You can always contact us if you have any problems or questions about accommodation, programme, travel or costs
- Be ready for swimming and short-distance nature walk also.
